

NORTHEAST CORNER
SUSTAINABLE CT

Regional
Launch
Event

April 18th at 7PM

Connecticut Audubon Society
218 Day Rd, Pomfret Center, CT 06259

Guest Speaker: Jessica LeClair, Sustainable CT

Learn about how the new statewide Sustainable CT program can help shape our neighborhoods to be thriving, resilient, collaborative, and forward-looking. Sustainable CT helps build community and local economy, equitably promotes the health and well-being of residents, and recognizes the finite capacity of the natural environment.

Information on funding and support opportunities will be discussed.

Registration encouraged: CT Audubon Society Center at Pomfret
